			Tutorial with Student Tutor	French (Mon 6-9)
				Tutorial with Student Tutor

Mathematics - Students wanting to study Further Maths must also do Pure Maths. It is not possible to take Maths and Pure Maths due to the module combination.

- Chichester College is part of the West Sussex collaboration group working closely with local 6th Forms in the area. If there is a subject which we do not offer please speak to a member of staff from the A Level Office to discuss the possibility of completing an AS/A Level subject where it is offered at another institution.
