THE LONG AWAITED RETURN OF...

MURDER MYSTERY

The Holiday Club should have been full of laughter and fun... but something strange has happened. One by one, the staff have begun to vanish without a trace. Their bags are still here, their voices seem to echo in the corridors, but they themselves are nowhere to be found. Only a trail of eerie clues remains.

Sherlock and Dr. Watson have been called in, but after so long away from detective work their minds are slow, their eyes miss things, and even they begin to feel a chill down their spines. Whispers of the Holiday Club Monsters spread among the shadows — creatures who seem to be guarding the secrets of the mystery, determined to keep the staff hidden forever.

Sherlock and Watson know they cannot solve this alone. They turn to the bravest detectives they can find — the children of Holiday Club. Together, they must search the dark corners, follow the tangled trail of clues, and face the lurking monsters head-on. The fate of the missing staff — and perhaps the whole club — rests in their hands.

The mystery deepens with every step. Can you uncover the truth before the monsters strike again?
